Sales Associates

Offices: 2313 Portwood Bend Cove, Cedar Park, Texas 78613 Ph: (512) 426-9376, Fax: (512) 249-0112
962 Memorial Village Dr., Houston, TX 77024 Ph: (832) 287-4455, Fax: (713) 880-2558
3000 Squireswood Dr., Carrollton, TX 75006 Ph: (214) 734-1010, Fax: (972) 416-3016

Manufacturers Represented for System Level Products and Manufacturing Services

www.ayrshireusa.com

Contract Manufacturing Services

- Box/Rack level assembly
- PCB Assembly
- Cable routing & harnesses
- End product delivery
- Product warranty, warranty repairs
- Prototyping
- Agency certification
- Quality Tracking
- Component Engineering
- Cost-reduction through product lifecycle
- 4 US Locations and Reynosa, Mexico

Power Supplies

Switching Power Supplies

- 5W - 6000W Switching P/S
 - 450W - 1000W Modular P/S
 - 20W - 960W DIN Rail P/S
 - 5W - 250W Open Frame P/S
 - 120W - 360W Battery Chargers
 - 5W - 240W Switching Adapter/Desktop
 - 0.5W - 350W DC-DC Converter
 - 100W - 3000W AC-DC Converter
- Over 2500 Standard Models!

Metallic Resources, Inc.

Manufacturers of Electrolytic Solder

- Lower viscosity and surface tension results in brighter, shinier solder joints.
- Lower viscosity and surface tension results in superior wetting and wicking.
- Lower viscosity and surface tension results in less bridging, icicling, cobwebbing, flagging, and solder voids for a significant reduction in rework.

MultiNational Resources, Inc.

Human-Machine Interface Specialists

- Keypad Products
- Flexible Circuits
- Membrane Switches
- Tactile Assemblies
- Integrated Assemblies
- Custom LCD Modules
- Human Machine Interface Subassemblies

Reaction Injection Molding

- Faster Tooling to Production
- Lower Cost of Tooling
- Ideal for Volumes 100-5000/yr
- Solid, Rigid and Flexible Foam
- Solid and Rigid Polyurethane
- ISO9001:2000
- Complete or Secondary Assembly
- Great for Larger Parts
- Incorporate Wood, Metal or Glass Inserts

Sheet Metal Fabrication and Finishing

- Precision Sheet Metal Fabrication
- Welding
- Laser Cutting and Etching
- State of the Art Equipment
- In House:
 - Painting
 - Powder Coating
 - Silkscreening
